July 14th, 2009

Dear Spartan Parent/Guardian(s),

As your student heads to campus for their first semester, the Student Alumni Foundation (SAF) is offering them an opportunity to SAVE money throughout the year.

With an SAF Discount Card, your student can save money at over 60 restaurants, retail stores, and businesses close to and on campus. These discounts include savings on textbooks, food, MSU apparel, haircuts, even apartment fee's! With a 10% discount on textbooks at five local bookstores, the average student saves \$40-\$50 a semester. The SAF discount card costs \$20, so that is more than a 200% return on your money after only one semester of textbooks. Do not let your student miss out on these money saving opportunities!

By purchasing an SAF discount, your student will have access to all SAF programming. We offer top of the line programming and access to MSU's largest student organization. Your student can cheer on the men's basketball or hockey teams in the Izzone or Slapshots student sections; they could join Spartan Ambassadors and give tours of campus to prospective and current students as well as alumni. Your student will also have the opportunity, if they choose, to participate in community programs, alumni networking and escorting Sparty!

The Student Alumni Foundation would also like to invite you to campus October 16th through October 18th for our annual Family Weekend event. Enjoy Homecoming weekend with special tours, the Homecoming parade, a pep rally and the MSU vs. Northwestern football game. Act fast – space is limited!

To order an SAF Discount Card for your student and/or tickets to Family Weekend, please return the enclosed order forms, with payment, to the address provided in the brochures or go to our website www.msusaf.com. To pick up your card, please stop by the SAF office anytime (Mon. - Fri., 8am - 5pm), or during our special office hours during Welcome Days on Sunday, August 30th from 9am - 6pm.

Welcome to the Spartan Family and GO STATE!

The Student Alumni Foundation
